## Governors Island

News about Governors Island, including commentary and archival articles published in The New York Times.

### CHRONOLOGY OF COVERAGE

SEP. 28, 2012

Editorial marvels at the transformation of Governors Island; expresses hope that New York City Mayor Michael Bloomberg will lure commercial enterprises to the island before he leaves office. [MORE](#)

AUG. 6, 2012

Men and women who grew up on Governors Island when it was an active base for the United States Coast Guard come together once again for their annual reunion; many have mixed feelings about the changing landscape and its current status as a destination for recreation and festivals. [MORE](#)

AUG. 3, 2012

National Park Service rangers are now able to take the public inside Castle Williams, a red sandstone fortress at the western tip of Governors Island, for the first time in its 200-year history. [MORE](#)

NOV. 23, 2011

New research group The Center for Urban Real Estate proposes connecting Lower Manhattan with Governors Island by using landfill to create a land bridge; says it would create 88 million square feet of development and generate \$16.7 billion in revenue for the city. [MORE](#)

#### A Warning on Governors Island Funds

By CHARLES V. BAGLI

Warning that Governors Island may be forced to shut down for lack of money, Mayor Michael R. Bloomberg has proposed that the city take control so that the state can focus on other projects.

# KEY TAKEAWAYS

1. Ask/dream with the end in mind
2. Focus > "ground clutter"
3. Embrace creativity/messiness
4. Model: Partnership, professionalism, patience
5. Course and materials provide context
6. Pedagogy, technology, assignments are learning enablers, not ends
